The Association of Fundraising Professionals (AFP) represents nearly 25,000 members in more than 200 chapters throughout the world, working to advance philanthropy through advocacy, research, education, and certification programs. AFP fosters development and growth of fundraising professionals and promotes high ethical standards in the fundraising profession.

Among the top 10 largest AFP Chapters, the Greater Philadelphia Chapter was established in 1968 and has over 350 members. In addition to our members, AFP-GPC engages with more than 2,000 fundraising professionals through email and social media.

AFP-GPC members are employed by leading institutions—from the University of Pennsylvania to world-renowned organizations such as the Philadelphia Museum of Art and the Philadelphia Orchestra—and are responsible for recommending, selecting, and/or purchasing products and services.

Our members serve in a wide range of leadership and decision-making roles within their organizations, with many holding executive-level positions, including Executive Director, Vice President, President, and CEO.

AFP-GPC is the go-to resource for all things relating to fundraising in the Greater Philadelphia area.
